About Matt

Matt and his wife Brooke became parents last year. Two months later Matt was in a devastating diving accident that left him paralyzed from the chest down.

Matt's professional future is bright. Just before the accident, he had begun his final year of study towards a Ph.D. in Economics at the U of U. As a standout student he was awarded the Howard Karsten Graduate Fellowship in Economics. The following year, he was awarded the Mariner S. Eccles Fellowship in Political Economy for his work.

This event was organized to help with the financial burden the Lund's are facing right now.

* The Lund benefit is associated with Sol Sanctuary a non-profit organization.

** MC, Visa, Check and Cash accepted the evening of event.
